AMINO ACID | Valine

02

On April 9, Anhui Huaheng/Changchun Dacheng raised the valine quotation, and the latest quotation was adjusted to USD2.09/KG. The current quotation in the trade market was stable, the market signed few orders, and the transaction was general. The factory paid attention to the market transaction after increasing the external quotation.

API | Albendazole

03

Albendazole, recently affected by the market supply and demand relationship, the price this week slightly adjusted to USD15.5/KG, previously is USD14.5/KG. At present, the market stock inquiry orders have increased, the market heat has slowly increased, and the market inventory has slowly decreased. It is speculated that the subsequent price will be slowly adjusted. Please pay attention.

FOOD ADDITIVE | Sucralose

04

Affected by market demand, the price of food sweetener sucralose fell slightly, and the US dollar price stabilized to USD14.7-15/KG. In the short term, the price change is not obvious, and we will continue to pay attention to market changes.
