Vitamins to VEGA!

14 th. August. 2024

VITAMIN

01

On August 12, the mainstream manufacturers of K3 significantly increased their quotations, with MSB quoted at USD16.9/KG and MNB at 19.5/KG. The market inventory was low and the manufacturers were short of delivery.

On August 13, 2024, Huaheng Bio-Pharmaceuticals stopped reporting and signing calcium pantothenate, and inositol was USD6/KG from now on.

AMINO ACID

02

On August 13, 2024, the latest price of amino acids for XMXYG Biochemical this week is USD1440/ton for threonine, USD7900/ton for tryptophan, and USD2500/ton for 30% tryptophan. The delivery of tryptophan is tight recently, and the factory is mainly focused on shipment, but the demand from end users is average, and the stock is replenished one after another. Pay attention to the progress of the factory's order signing in the future.

API

03

Recently, Hailier Pharmaceutical Co., Ltd. issued an announcement that Qingdao Hengning Biotechnology Co., Ltd., a wholly-owned subsidiary of Hailier Pharmaceutical Group Co., Ltd., has completed the main construction of the 2,000-ton annual tolfenpyrad technical project and the 2,000-ton annual 2-chloroacrylonitrile and 2,000-ton annual p-chlorophenylglycine intermediate projects. The trial production plan has recently been approved by experts and filed with relevant competent authorities, meeting the trial production conditions and will officially enter the trial production stage.

FOOD ADDITIVE

04

Tianyancha shows that Angel Yeast (Kashgar) Biotechnology Co., Ltd. was established recently, with Zhu Shaohua as the legal representative and a registered capital of 20 million yuan. Its business scope includes food production, food sales, condiment production, feed production, feed additive production, etc. The company is wholly owned by Angel Yeast.
