Vitamins to VEGA!

15th. August. 2024

## VITAMIN

01

Starting from August 14, Xinfra Pharmaceutical resumed the quotation of calcium pantothenate, and the latest quotation is UAD7.6/KG. Due to the maintenance, the supply is limited and the order is limited.

On August 12, the major domestic manufacturers of niacinamide, such as Ruibang, Kunda, and Brothers, raised the quotation to USD7/KG.

On August 13, all domestic manufacturers of niacinamide stopped reporting and signing.

## AMINO ACID

02

Recently, Marina Afonina, Deputy Minister of Agriculture of Russia, and her delegation visited the Ningdong Modern Coal Chemical Pilot Base in Ningxia to conduct an investigation and research, to gain an in-depth understanding of the progress of the methionine green process development pilot project and to jointly discuss practical cooperation between China and Russia in this field. Zhang Wei, Deputy Secretary of the Party Working Committee of the Ningdong Management Committee and Director of the Management Committee, and Yan Xiaoping, Chairman of Ningxia Yippin Biotechnology, accompanied the investigation.

## API

03

Enrofloxacin/enrofloxacin hydrochloride, the recent domestic mainstream factory quotations are stable, and the export transaction of enrofloxacin above tonnage level is stable at USD25.3/KG. The transaction of Enrofloxacin hydrochloride is around USD27.3/KG. The price of Enrofloxacin bottomed out and rebounded in the first half of the year. The current price is stable, and the market transaction situation will continue to be paid attention to in the future.

ZMC announced that recently, the company's holding subsidiary Zhejiang Changhai Pharmaceutical Co., Ltd. received the "Notice of Approval of Chemical API Listing Application" for Teicoplanin approved and issued by the State Drug Administration.

## FOOD ADDITIVE

04

Recently, the food additive anhydrous saccharin sodium is affected by market demand, and the transaction price in the foreign market is about 5.2-5.4 US dollars/KG. In the short term, the price of anhydrous saccharin sodium will stabilize.
